INTERVARSITY

Pray for students going to MarkWest tomorrow.

Tomorrow **16 students** from UNBC and CNC are driving down south to join the rest of the BC campuses for a week-long study of the book of Mark on Thetis Island.

Going with them is a non-believer who has been a part of our Alpha group this semester and several students who are on the verge of recommitting their lives

to Christ. Please pray for the Spirit to move powerfully in their lives and for our students to continue to be faithful witnesses.

As well, our entire leadership team for next year and many student leaders are going!

Please pray first of all for conversion. That those who have not decided to follow him would. Pray also for Jesus to encounter everyone in His word. As these young people open themselves to listening to the voice of God in scripture for a full week pray they may have ears to hear. Pray also for this to be a stimulus for Christians on campus in Prince George to grow in community, sacrificial love, and passionate desire to share the good news of Jesus.

“The time has come,” Jesus said. “The kingdom of God has come near. Repent and believe the good news!” (Mark 1:15)

Praise God! We have a boy!

Judah Francis Joyce was born on April 19th at 5:23PM. He was 7lbs 5oz and 21" long. He is healthy, eating well, and starting to let his parents sleep for more than an hour at a time. We are so excited to welcome this little guy into our home. I am taking the next two weeks off work but wanted to let you know!
